

St. Johnsbury Band Manager's Report November 18, 2013

2013 was a successful year for the band thanks to the participation and ideas from many band members. Our funding from the Town of St. Johnsbury remained constant and we were never rained out the whole summer concert season. Area organizations sponsored ice cream socials in each concert. We kept our traditional July 4th concert in Woodstock New Hampshire and did another Stars and Stripes parade in Lyndonville.

We put on three benefit concerts this year; Alzheimer's Walk for a Cure, a Melissa Jenkins Scholarship fund concert the week after our regular season on the band stand and a benefit concert for the St. Johnsbury History and Heritage Center.

We declined the Burke Fall Foliage Festival due to our experience with the weather and that we would not have the band stand for the concert.

So I hope you will keep your ideas and suggestions coming.

Respectfully submitted
David Hare, Band Manager

Band Survey

1. Did the band play:
Enough concerts Too many concerts Not enough concerts

2. What would you like to see the band accomplish in 2014?

3. Are there special venues or events you would enjoy playing? If so, which ones?

4. What did you like the most about the 2013 season?

5. What did you enjoy the least? _____

6. Any suggestions about our 2014 season?
